

**DEPARTAMENTO:** Ciencias de la Ingeniería **PROFESOR:** Mg. Renato Mauricio Toasa Guachi

**CARRERA:** Informática

**ESTUDIANTE:** Jordy Alexander Cefla Valdivieso

**CURSO:** Séptimo

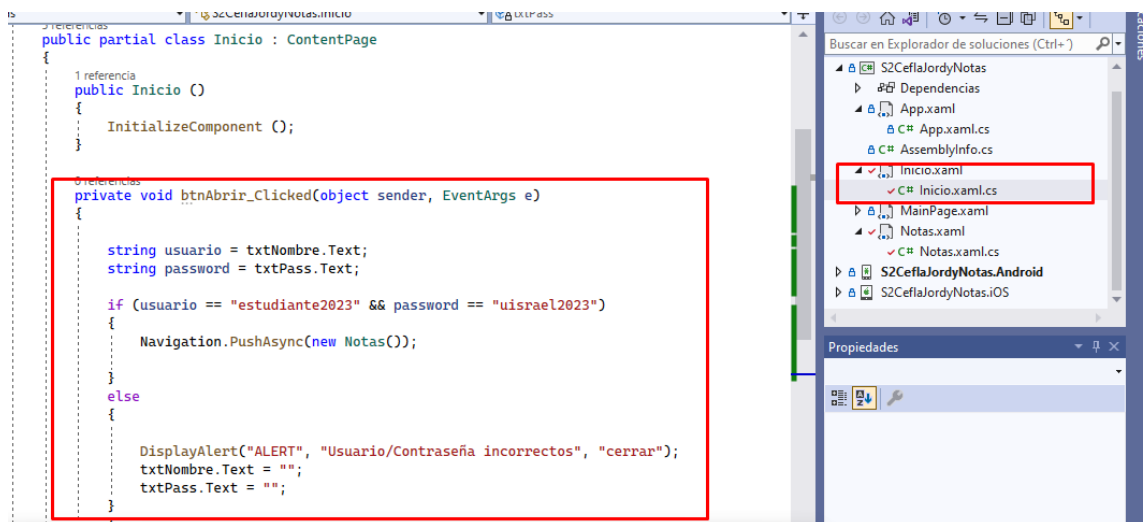

**PARALELO:** "A "

**DESCRIPCIÓN:** Tarea Semana 3

**ASIGNATURA:** Desarrollo para Aplicaciones Móviles

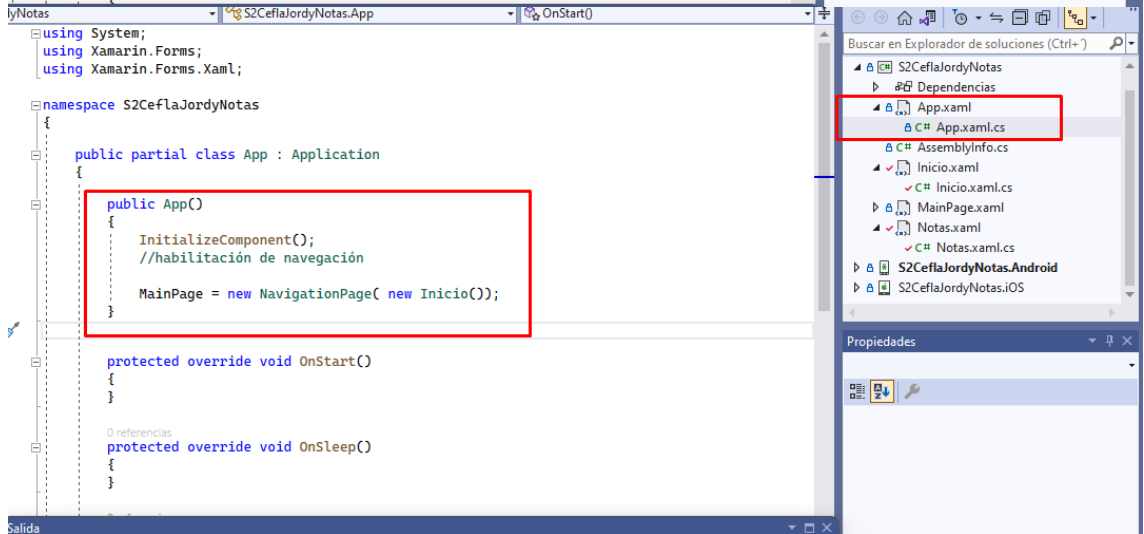

## TEMA: Sistema de Notas

### DESARROLLO:

- 

```
public partial class Inicio : ContentPage
{
    1 referencia
    public Inicio ()
    {
        InitializeComponent ();
    }

    0 referencias
    private void btnAbrir_Clicked(object sender, EventArgs e)
    {
        string usuario = txtNombre.Text;
        string password = txtPass.Text;

        if (usuario == "estudiante2023" && password == "uisrael2023")
        {
            Navigation.PushAsync(new Notas());
        }
        else
        {
            DisplayAlert("ALERT", "Usuario/Contraseña incorrectos", "cerrar");
            txtNombre.Text = "";
            txtPass.Text = "";
        }
    }
}
```
- 

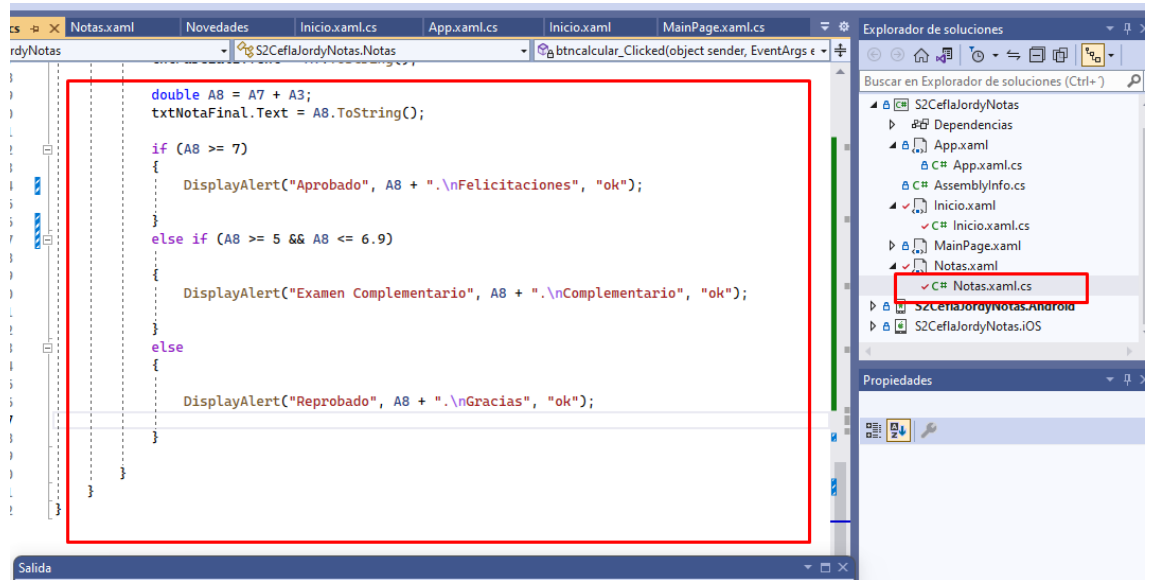

```
using System;
using Xamarin.Forms;
using Xamarin.Forms.Xaml;

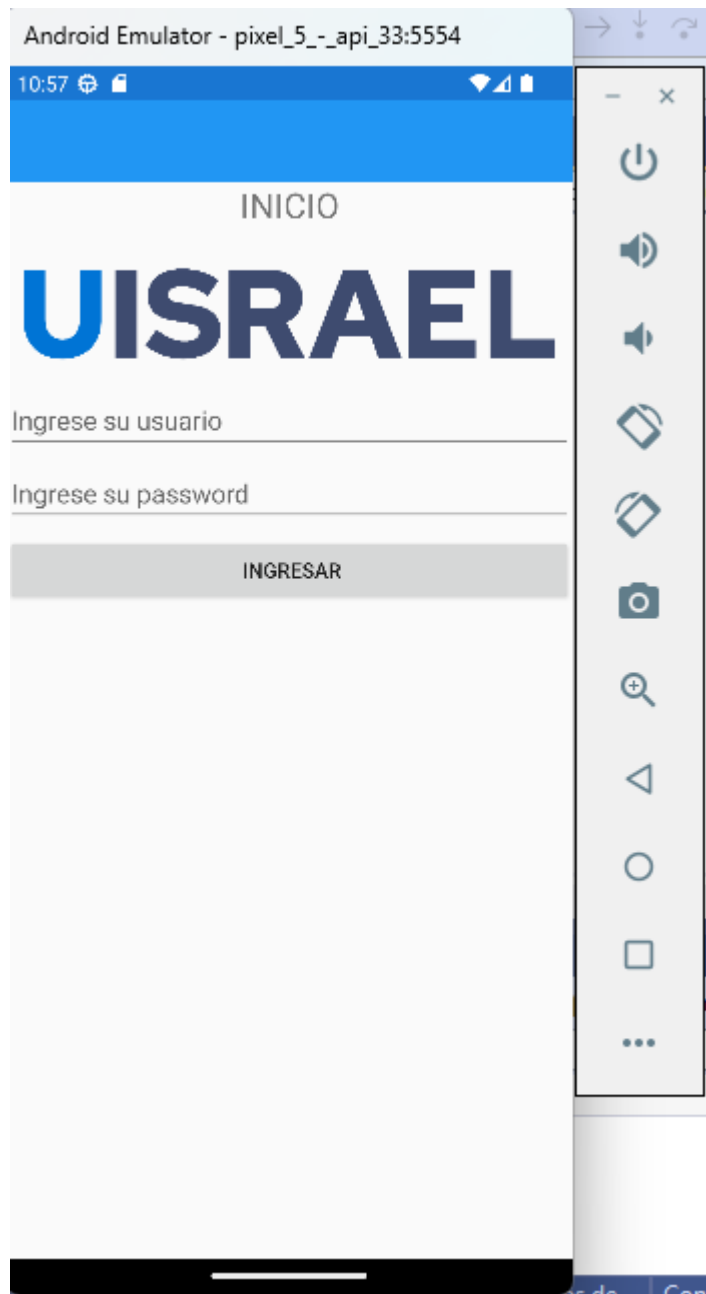

namespace S2CeflaJordyNotas
{
    public partial class App : Application
    {
        public App()
        {
            InitializeComponent();
            //habilitación de navegación
            MainPage = new NavigationPage( new Inicio());
        }

        protected override void OnStart()
        {
        }

        0 referencias
        protected override void OnSleep()
        {
        }
    }
}
```
